Safety Bulletin # 15-15

Sharing the Road **ATTENTION**

During the summer months, more and more of us will be taking to the roads. This increased exposure results in higher risk. It is up to each of us to do our part in preventing traffic accidents. To help make the summer safe for all, the following ***“Road Sharing Tips” are provided.***

Road Sharing Tips

Know the safety standards for your Area/Installation

- **Drivers**
 - **Don't use cell phones while driving**
 - Look for joggers on the road (especially in the morning)
 - Look out for pedestrians and bicyclists
 - Drive within the posted speed limit
 - Stay alert; drive defensively
- **Joggers**
 - Run **“facing” traffic**
 - Wear reflective vests
 - **Don't use headphones / MP3 players while on the roads**
 - Stop at crosswalks; **ensure traffic has stopped before crossing**
